

Producer/Marketer Registration

Regulations made under the Ontario Farm Products Marketing Act require that all persons engaged in producing or marketing sheep in Ontario register with Ontario Sheep Farmers (formerly the Ontario Sheep Marketing Agency or OSMA).

Ontario Sheep Farmers is a producer-run organization, which represents all aspects of the sheep, lamb and wool industry in the province. Its mandate is to promote and represent the industry as well as improve marketing through producer education, promotional campaigns, consumer education, and public awareness.

A business contact registration entry is required for a producer of sheep.

Complete and return the form to confirm your contact information.

If your information changes, please contact the Ontario Sheep Farmers office to ensure the most up-to-date information is on file.
